The Vaird Foundation, a 501(c)3 non profit organization and law enforcement initiative created under the outstanding leadership of former Police Commissioner Sylvester M. Johnson and active law enforcement officers.

The Vaird Foundation was created in memory of the City of Philadelphia Police Department's only female fallen hero killed in actual combat in the line of duty, Police Officer Lauretha Vaird #5897.

On Tuesday, January 2, 1996, the City of Philadelphia Police Department lost a true heroine. Police Officer Vaird was slain while responding to a bank robbery at the PNC Bank located at 4710 Rising Sun Avenue.

The two suspects responsible for the murder of Officer Vaird were arrested a short time after.

A third suspect was arrested several days later during a traffic stop in Maryland. On November 1, 1996, the suspect who shot Officer Vaird was sentenced to death. Officer Vaird, who was 43 years old at the time of her death and a mother of two sons, was the first female in the history of the Philadelphia Police Department to be killed in the line of duty and a nine year police veteran before her untimely death.

The City of Philadelphia Police department remembers Officer Vaird #5897 as a great role model as well as her strong commitment to fellow officers, young people and the citizens of Philadelphia. The mission of the Vaird Foundation is to ensure that Police Officer Lauretha Vaird's memory is kept alive and well in the hearts and minds of young men and women by ensuring that an investment is made in students through mentoring, college assistance awards and other youth programming focusing on empowering young adults, building character, self respect, self esteem, self dignity, unity and partnerships.

Programs include: College Assistance Award, "Adopt a School", Homework Help, Mentoring, and Youth Roundtables. Our law enforcement partners include the DEA, FBI, Secret Service and many more.
